Nationality: Kenyan

Languages: English, Kiswahili

Religion: Christian

Profile

I am a motivated new graduate seeking an entry-level position to kickstart my career in the information technology industry. I am eager to apply the theoretical knowledge gained through my study in school and the practical experience obtained through industrial attachment. I have strong interpersonal skills, pay attention to detail, and have the ability to work in fast-paced environments. I am passionate about contributing to the success of an organization and committed to professional growth.
